_____ I'm looking for the best affordable travel for me and my guests. We're not looking for extra thrills/frills and expensive places to go and visit. _____ I'm looking to experience a great time with my guests. While traveling, my group should enjoy and splurge a little on some attractions (i.e. helicopter tours, five star restaurants, private catamaran sailing, personal tour guide, concierge services, etc.)

_____ I'm looking for an ultimate experience where I or my guest won't have to "lift up a finger!" I want to experience the BEST that our destination can offer! My travel guests know my opulent 'taste' in travel and they won't mind being adventurous.
